

WORKSHOP MATERIALS

- 1 - 10x10" birch bark sheet
- 4 - bundles of natural sinew
- 1 - skein of embroidery floss
- 1 - sewing needle
- 1 - patch of leather (thimble)
- 4 - binder clips (to hold the corners in place while sewing)
- 1 pair of Scissors
 - A bin/container large enough to submerge the birch bark sheet in water (overnight)
 - A weight to place on top of the birch bark sheet while soaking (to prevent it from floating to the top)
